The building has all modern amenities including elevator, 24 hour reception service (english speaking),
high security standards including permanent personal monitoring,
swimming pool, fitness, sauna and two underground parking places.
The complex is located within easy and fast access to Warsaw underground.
Shops, restaurants and the beautiful Krolikarnia Park are in walking distance.
The shopping center "Galeria Mokotow" is in the area.

The apartment includes:
- Large living and dining room with access to the loggia (9sqm)
- Seperate, fully equipped kitchen with windows
- Master bedroom with large built-in wardrobe. Access to spacious bathroom and second balcony (3sqm).
- Second bedroom, also possible to be used as office
- Second bathroom with shower, washing mashine and dryer
- Representative entrance hall with access to the rooms, kitchen, bathroom and walk-in closet.

Entrance hall and all rooms come with handmade parquet floor and stuccowork, bathrooms with beautiful marble and high-standard accessories.
Last but not least: amazing view over Mokotow and downtown Warsaw (Palace of Culture)

The apartment can be made available long term, fully furnished or empty as demanded.
